3 July 1969

P. Walsh (Acting Executive Secretary, Department of State), Walsh advised that the President had noted Governor Rockefeller's commercially prepared and assembled "fact book" on Latin American countries being visited. Reportedly the President would like a similar book prepared, and the Agency has been named to assemble one Upon receipt of the request, it was decided that the DD/I would take appropriate action, and Carver noted his suggestion to Walsh that	Carver related that, in the course of a conversation with John P. Walsh (Acting Executive Secretary, Department of State), Walsh advised that the President had noted Governor Rockefeller's commercially prepared and assembled "fact book" on Latin American countries being visited. Reportedly the President would like a similar book prepared, and the Agency has been named to assemble one Upon receipt of the request, it was decided that the DD/I would take	Morning Meeting of 2	2 July 1969
